Husbanding Agent
Limassol, Cyprus

Dear Takis,

Thank you so much for your valuable personal assistance in bringing the first ever United States Submarine to Cyprus. This was an enormous accomplishment for both our countries and we could not have done it without you.

I am well aware of all the extra work and personal time that you expended on this effort. An admiral never has to worry about things, when he can see that a person is doing the worrying for him. The minute I saw you in action, I knew that I didn't have to worry - thank you.

I would also like to thank you for the wonderful meal you hosted for us on Monday night. The food, drink and hospitality were fantastic and the conversation stimulating. (Next time we will not do it on a Monday and you know why!)

Again, thank you for your help. You have performed a wonderful service and I look forward to working with you often in the future.

Warm regards,

Dennis A. Jones
Rear Admiral, USN
